info@micronradiocontrol.co.uk www.micronradiocontrol.co.uk

Sales List : 20 September 2017

Sale lists are regularly updated and the latest version is available for download from www.micronradiocontrol.co.uk/sales_list.pdf. Appearance on this list is no guarantee that the item is still available. If you wish to enquire about actual stock level, need more information about a particular item, or to make an offer for multiple items, please send an email to info@micronradiocontrol.co.uk.

All prices include VAT at 20%. This will be deducted if your delivery address is outside the EEC.

Standard shipping for UK destinations is £5.00 (inc VAT). If an item is especially large or heavy, the 'Shipping' column will show how much is charged for shipping this item. If your order contains many items, then an additional shipping charge may be necessary, we will contact you to advise. All shipping costs are for UK destination. If you are ordering from outside the UK, please contact us to confirm a price for shipping.

Many of the kits are too long to be sent via airmail and the cost of a courier can be high.

METHODS OF ORDERING

By telephone on 01653 696008: tell us what you want and have your credit or debit card to hand, as we will ask for card details including your telephone number.

By PayPal: via the Micron website (www.micronradiocontrol.co.uk).

By letter to Micron Radio, Uplands House, Castle Howard Road, Malton, YO17 6NJ: enclose a cheque, postal order or card number details as shown above for fax ordering. Please call or send an email first to check that we have the products in stock.

By email to sales@micronradiocontrol.co.uk: (for security please split your order into two emails as follows)

1st Email: give us your name, address, card number only and list of the item(s) you want.

2nd Email: give us your name and initials (as printed on your card), last 3 digits of the verification number off the back of the card, the card expiry date and, if a debit card, the start date and issue number.

We will collate the two emails and process your order.
